CB OR NOT CB?

Your cover on #189 is excellent. Not so much for Kotter and his bunch as for ignoring CB radios. Don't do a satire on them; it will come out serious!

Scott H. Gee
Rhineland, Wis.

I looked for fifteen minutes before I realized you really did ignore CB radios.
Terrance W. Cook
Ft. Campbell, Ky.

"MAD Ignores CB Radios" was out of sight!

Scott Sadler
Santa Ana, Calif.

A MAGAZINE COVER WE'D LIKE TO SEE

You finks! I almost had to pay an extra ten cents for MAD because I had the back cover showing, to look respectable, at the check-out counter I caught the girl just in time...I hope.

Vicky Curtis
Chicago, Ill.

I sure fooled my parents! They were becoming alarmed about my reading habits. When I came home they asked me what magazine I had bought, I showed them the reverse side. They said, "That's more like it." Now everybody's happy. You guys showed class in that issue. Thanks!

Richard W. Doherty
Lynn, Mass.

I really liked "A Magazine Cover We'd Like To See", on the back of the March '77 issue. With a cover-up like that, I wasn't ashamed to read MAD on the bus. One problem, though, the other passengers wondered why I was reading something upside down.

D. Dupras

ONE YEAR GUARANTEE

Yep, we guarantee that one year from now, we will still be selling these full-color portraits of MAD's "What—Me Worry?" kid, Alfred E. Neuman, suitable for framing or wrapping fish. So this fine-print item really doesn't warrant tease ads like this one! Send 35¢ for 1, 75¢ for 3, \$1.55 for 9, \$3.15 for 27 or \$6.35 for 81 to: MAD, 485 MADison Avenue, N.Y., N.Y. 10022

THE OMENOUS

My Grandpa Ebils sat through "The Omen" five times and really ate up your MAD version. Grandpa has been into Devil-Worship for years, contending that the powers of evil are as mighty as the powers of good and must therefore be conciliated. Incidentally, the "Omen II" movie is now in production. Damien stalks again! A chance for North and De Bartolo to continue their torrid pace?

M.G. Teufel
Hot Springs, Ark.

I don't know what "possessed" me to read "The Omenous" by De Bartolo and North. Now I have to see a psychiatrist and an exorcist twice a week!

Jayson Densman
Irving, Texas

De Bartolo gave us something devilishly new in MAD entertainment: "Suspense Satire"!

Kevin Mielke
Anoka, Minn.

I didn't have to read "The Omenous." My dog, Cerberus, ate the magazine as soon as I brought it home. But seriously, De Bartolo and North are really diabolical. Great job!

Eric Allen
Burlington, Vt.

Your "The Omenous" scared me as much as the movie. That's saying a lot because the theatre audience was cheering for Damien!

Diane Russo
Wayne, N.J.

A sizzling hell-raiser!

"WELCOME BACK, KLODDER"

Glad you honored "Mrs. Klodder's Tuna Casserole"! In our rugged society, it should be the new American Simile...as American as..."!

Jim Randleman
Elverta, Calif.

I don't like the idea of the "Sweatslob" graduating. I did see one graduate, my brother. He went through twelve years of school and graduated from the eighth grade.

Danny Mills
Elsmere, Del.

Angelo Torres did some nice groupings of those "Klodder" characters. Give him and Silverstone the coveted "Charlie The Tuna Award"!

Jock Elias
Fort Langley,
B.C., Canada

I would have given your "Welcome Back, Klodder" cover an A+ except for the poor spelling. That should be "T-E-E-C-H-U-R-E"!

Darryl Davis
Webster, Mass.

President Carter is wise to all that Capitol Hill evil. He'll never let Demon darken the White House.

Colleen Simon
New London, Conn.

The Devil with Carter?

I was reading the "chilling" ending to "The Omenous" when President Carter's Inauguration came on TV. I looked for Demon, but he wasn't there. Hopefully, the President's exhortation for "a new beginning...and a new spirit" will prevail in our land. Surely, only then can we tell Demon to go to the devil!

Congratulations to writer Frank Jacobs on his "The Literary Yellow Pages." Glutton that I am for punishment, I have been reading MAD for a lot of years, but I can't remember an article I enjoyed quite as much. You had better watch your image, MAD, or else risk the threat of being labelled as an intellectual's mag. God forbid! What a coincidence, the high-hat highbrow on the back of that issue.

THOU SHALT NOT DRILL DEPT.

Hooray for Hollywood! They finally did it! They teamed up one of the top screenwriters with one of the top directors and one of the top superstars, and they came up with the ultimate movie . . . the ultimate in confusion, that is! In this new movie, nobody . . . not the people who made it, nor the audience . . . has the foggiest notion of what's going on! That's why we at MAD call it:

MABAT MARAT

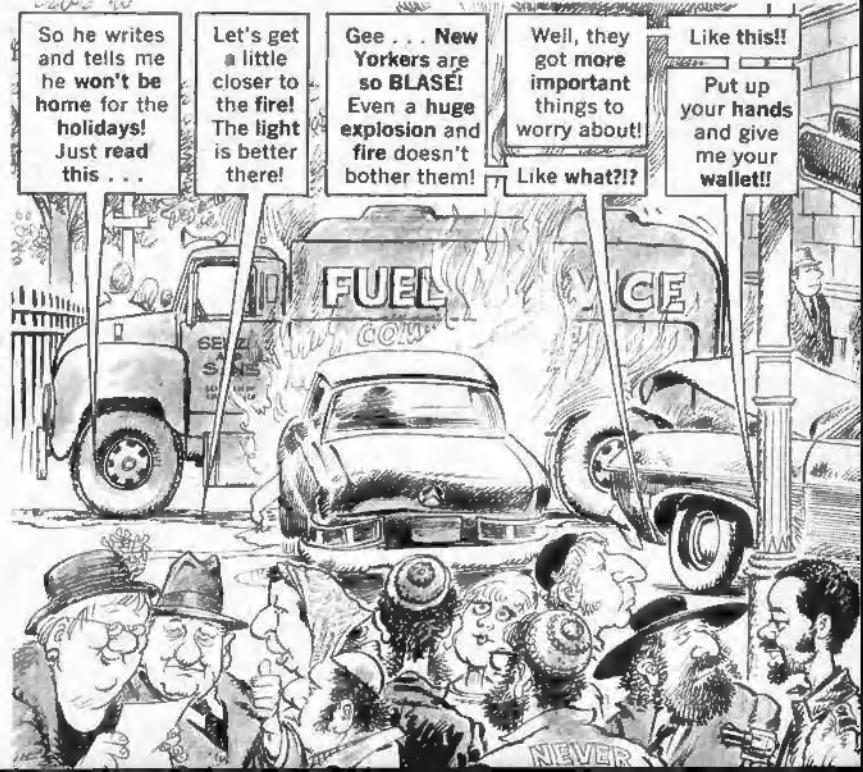

HON MEss HON MEss HON MEss

ARTIST: MORT DRUCKER

WRITER: STAN HART

Hello, LaPuff! I don't have to tell you what's on the bottom of this box of candy I'm holding, do I?

No . . . let me guess!! It's a little plastic toy—or maybe some stickers with cute sayings!

What are you talking about . . . ?

Isn't it a box of Cracker Jacks???

Idiot! It's the diamonds! My money . . . ?

Meet me at the opera tonight and I'll give it to you!

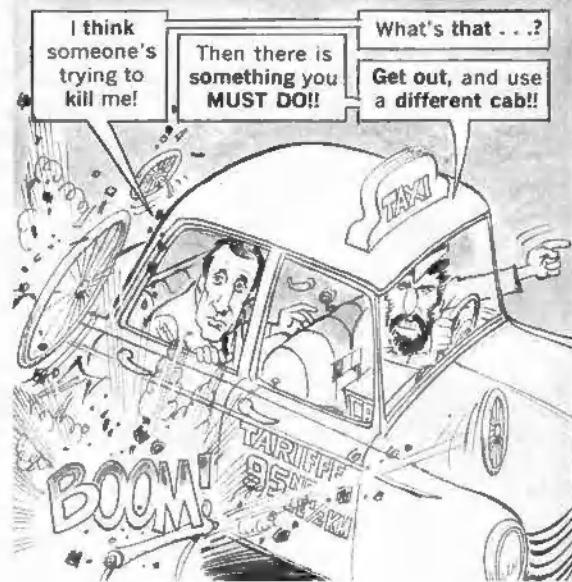

Good! Now don't disappoint me!

Oh, I won't . . . even though you disappointed me about the box of Cracker Jacks!

I think someone's trying to kill me!

Then there is something you MUST DO!!

What's that . . . ? Get out, and use a different cab!!

I knew your father! He was unjustly hounded out of his job by Sen. McCarthy! I often wondered how he managed to make a living after that!

After he was fired, he had no use for money!

How come?

Because he killed himself!

LaPuff was dead when I got to the opera, and I have the feeling that they're trying to kill me, too! But no one believes me!

I believe you!

Who—who are you?

Your assassin!

What's a huge ORIENTAL doing in this movie . . . ?

Merely keeping alive the American Movie Tradition that all Orientals are sinister, and that any 135-pound Yank can whip an Asian twice his size!

Well . . . since I have respect for traditions, I'm going to have to break your back . . . !

I understand!

Excuse me! Uh—may I borrow your pencil . . . ?

Uh—may I use your library card . . . ?

Well . . . would you do ONE small favor for me, at least???

Let me run my hand up and down your thigh!

NOW . . . you're TALKING!!

No!

NO!!

What is it . . . ?

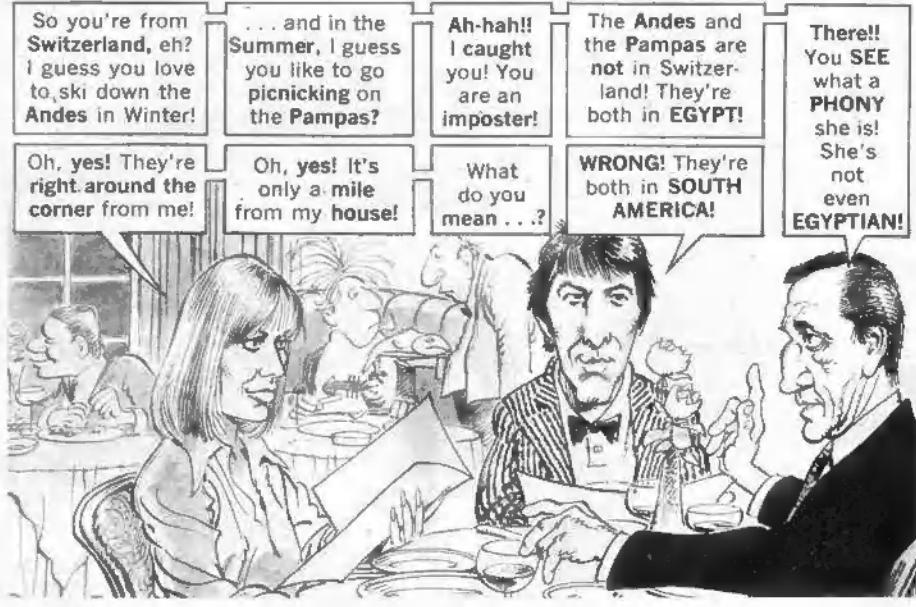

I don't fall in love easily . . . but I'm in love with YOU!!

Why? We've just met!

I know . . . but you're the only GIRL in this WHOLE MOVIE!! pant . . . pant . . .

This is disgraceful! Can't you read the sign? "ABSOLUTELY NO PANTING IN THIS LIBRARY"!!

Good Lord! What happened to you?

I was stabbed in Lincoln Center, so I dragged myself to Broadway, caught an uptown bus to 72nd St. and got on a crosstown bus to Riverside Drive, grabbed a No. 4 bus to 116th Street . . . walked up the hill . . . and here I am . . .

Who—who did this to you??

The killer is . . . the killer is . . . cough—cough . . . the . . . agghh . . . —plotz—

Time to tell me a travelogue, he's GOT! Time to tell me one simple name, he DON'T!

Why would someone kill my brother??

Your brother wasn't in business! He was an agent for the Government! He was part of a branch that does the things that are TOO DIRTY for the F.B.I. or the C.I.A. to handle!

I can't buy that!
Buy what?

There are things TOO DIRTY for the F.B.I. or the C.I.A. to handle!?

He was a Courier! He transported diamonds to certain people in exchange for certain information for certain people! However, certain other people wanted him out of the way! Do you understand what I'm telling you?

No!!

Good! I thought I was the ONLY ONE!

We want to use you as bait to help find your brother's killers!

Okay, I'll do it on two conditions! One . . . that when you find the dirty rotten killer, he'll be brought to justice . . .

Granted! And the second condition?

That it won't be dangerous!

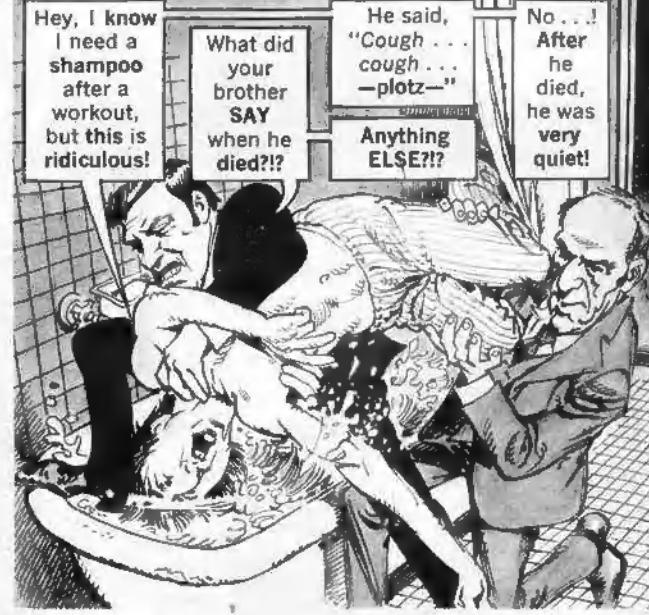

Hey, I know I need a shampoo after a workout, but this is ridiculous!

What did your brother SAY when he died???

He said, "Cough . . . cough . . . —plotz—"

Anything ELSE???

No . . . After he died, he was very quiet!

Is it safe?

If I knew, would I be asking a 40-year-old schmuck who can't get out of college???

Is WHAT safe?

Okay, it's safe!

I—I don't believe you!

Okay, it's NOT safe!

How's that?

I STILL don't believe you!

For God's sake . . . what DO you want to hear???

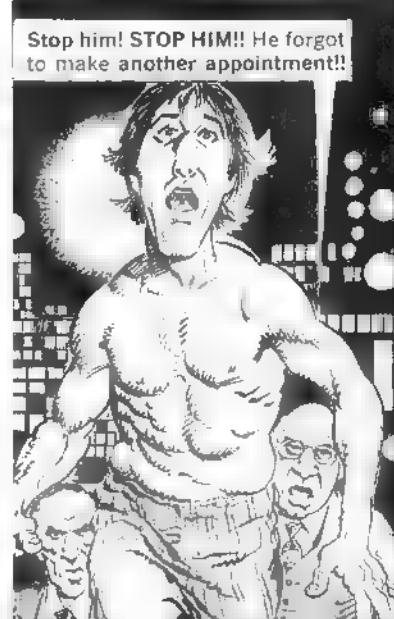

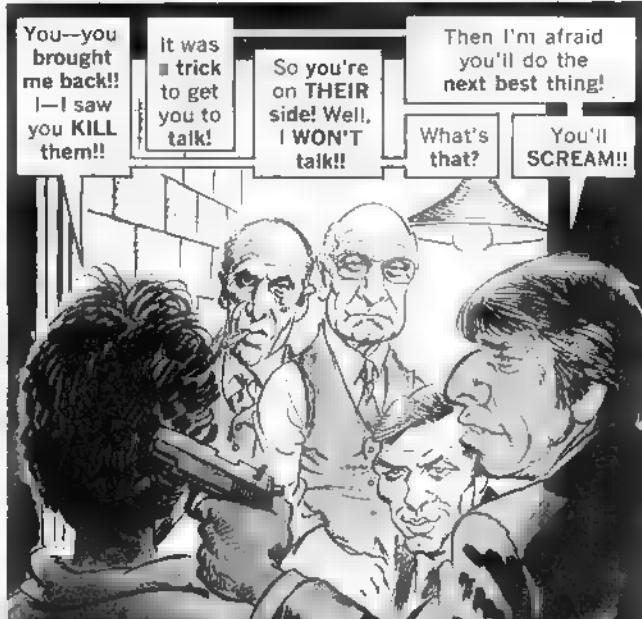

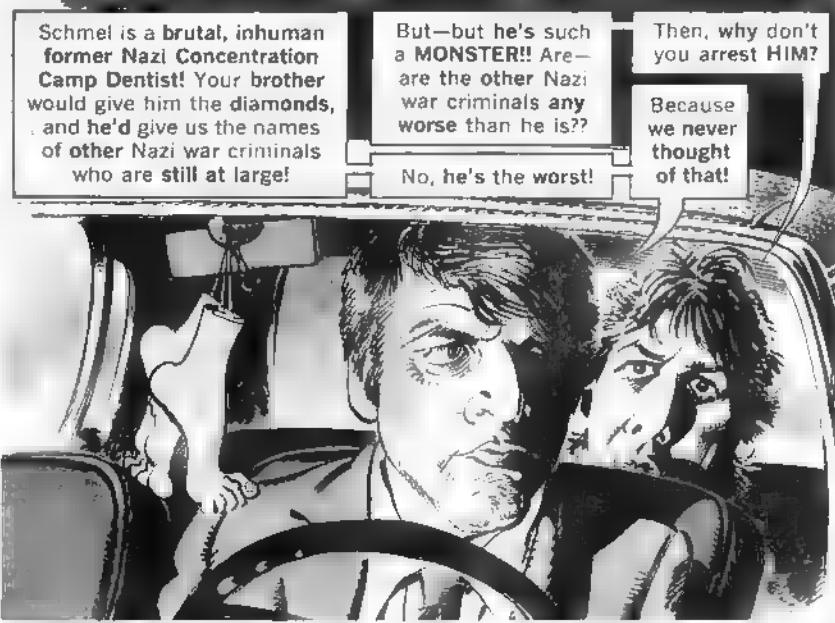

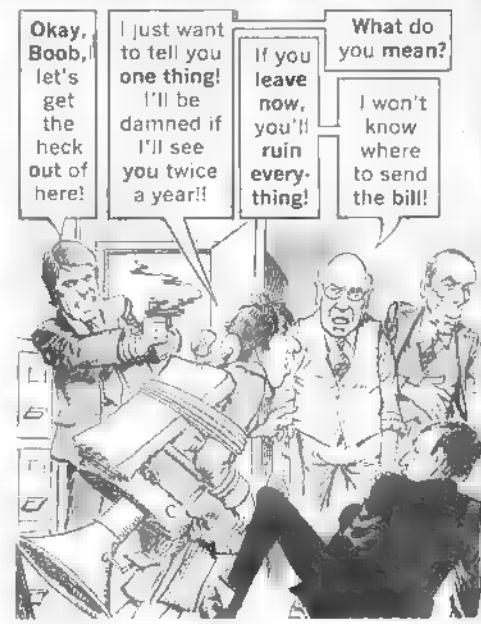

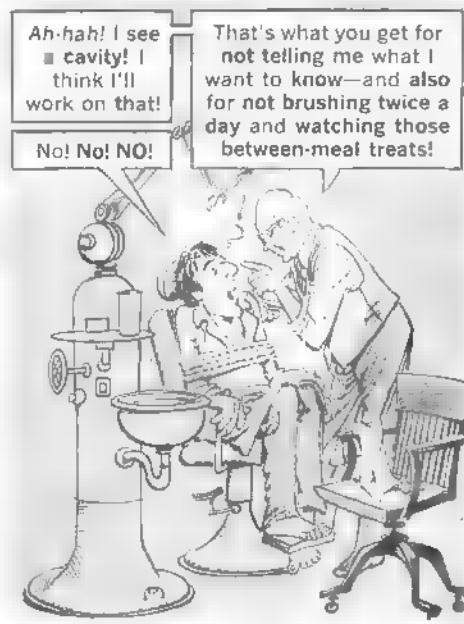

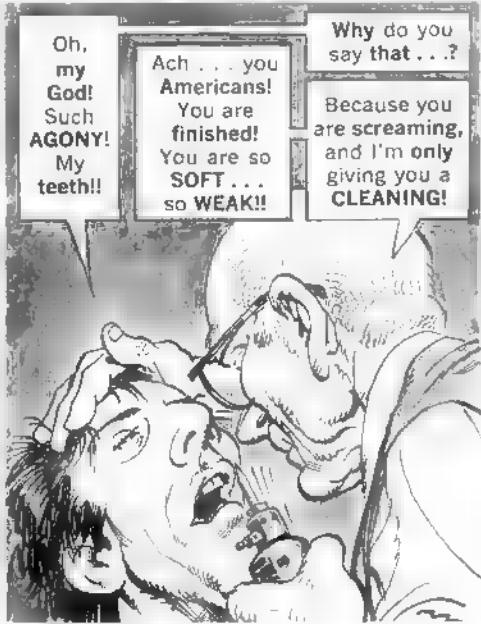

Since you asked, I'd really like to hear "Melancholy Baby" sung in German!

Now, I'm afraid, I must inflict the greatest pain you've ever felt! It's my PROFESSION!

Oh . . . you're a torturer?

No, a DENTIST!

You've got to help me! These people are trying to kill me! I've got to get out of New York City and hide somewhere!

I know just the place! A deserted, out-of-the-way farm house! Only a few people know where it is . . .

WHAT people?
Oh... just a former Nazi Dentist and some of his associates!

So... YOU'RE working for him, too?! WHY . . . ??
Listen, being a Dental Assistant is a good job!!

I want the Nazi! Where is he?

At the bank!
At the bank? What's he doing there?

Either getting his diamonds out of the vault, or taking out a loan to start his own Concentration Camp!

How . . . how much are diamonds like these in today's market?

Don't I know you . . . ? From Germany?

Grab that man . . . !! Grab him!

I KNOW him! From years ago! He . . . he charged me a fortune for a gold inlay, and it fell out in a week!!

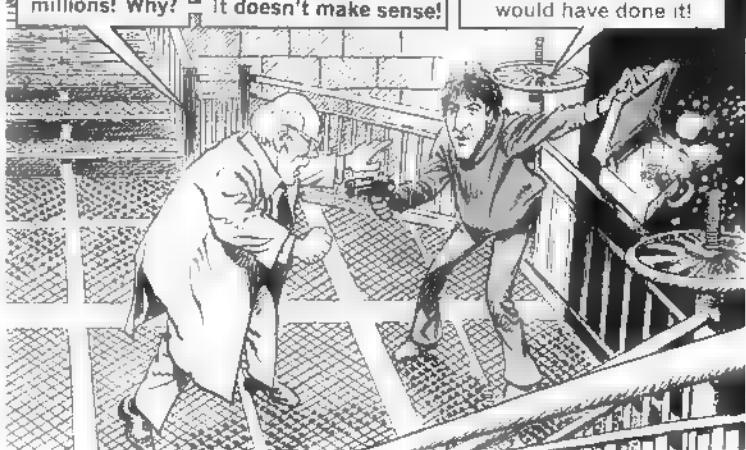

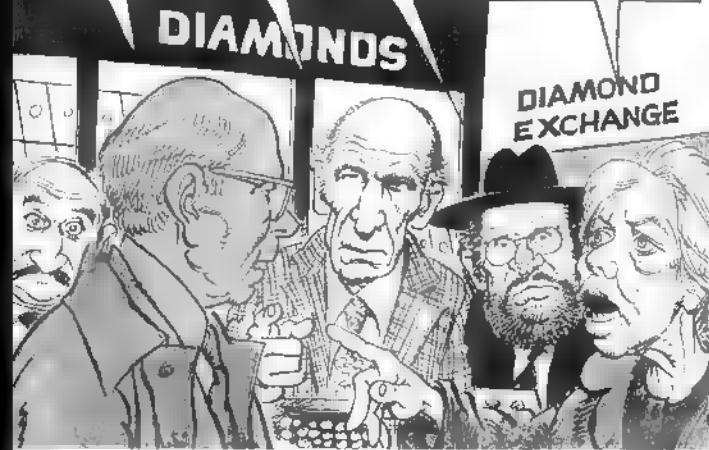

Here's what I think of your diamonds . . . !

Stop! You're throwing away millions! Why?

Damned if I know . . . ! I'm a poor starving student who lives like a hobo and hasn't got a dime to his name!

It doesn't make sense!

It makes about as much sense as an infamous Nazi like you going to the Jewish section to price diamonds, when a simple telephone call would have done it!

Oh, my God! I'm falling down the stairs!

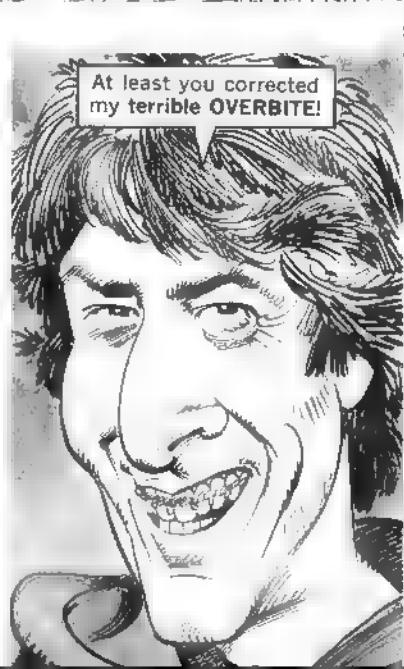

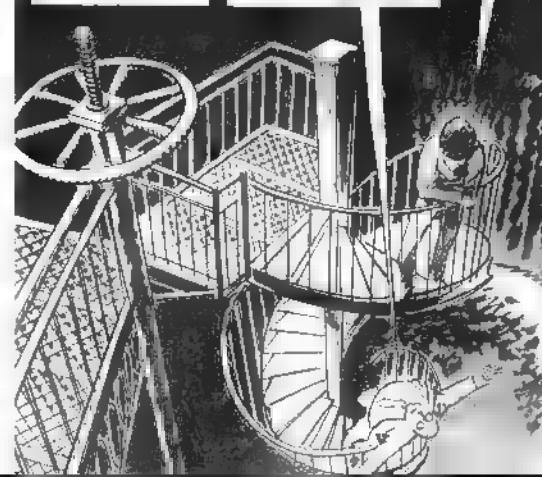

WHO SAID most accidents happen in the home?!! Everyone knows they always happen conveniently . . . in goofy movies like this one!

What did all that torture and killing mean? Nothing! Just a waste!

Not necessarily! Something good DID come out of my meeting up with you . . . !

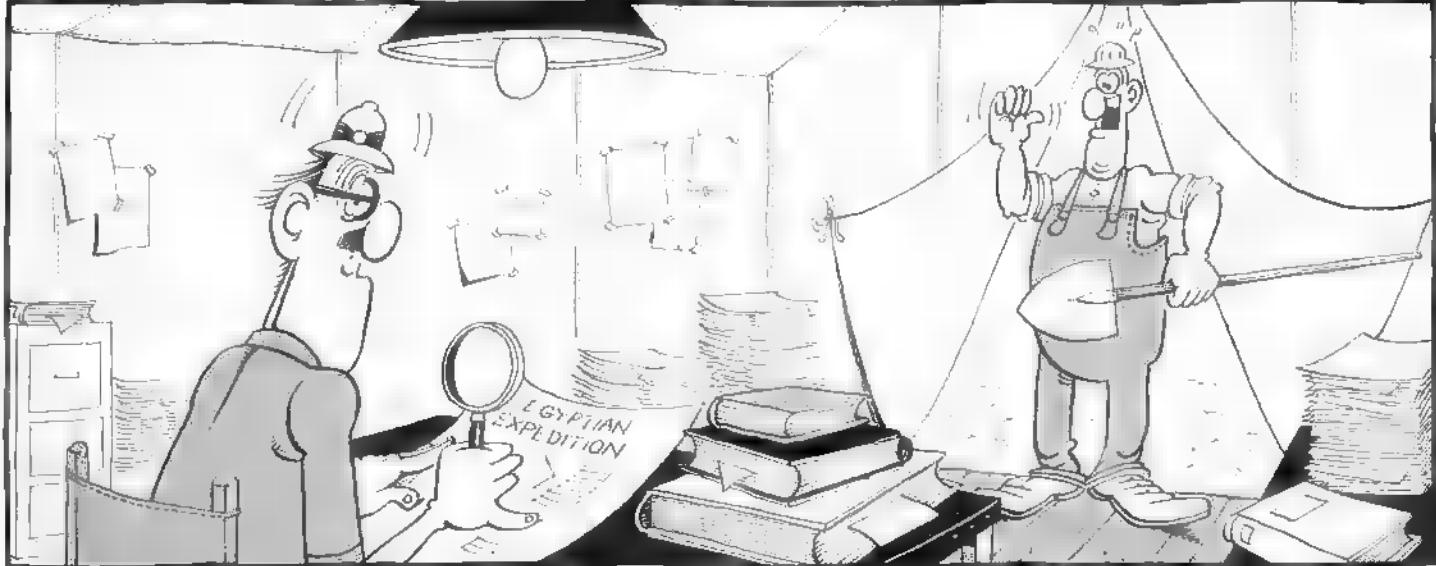

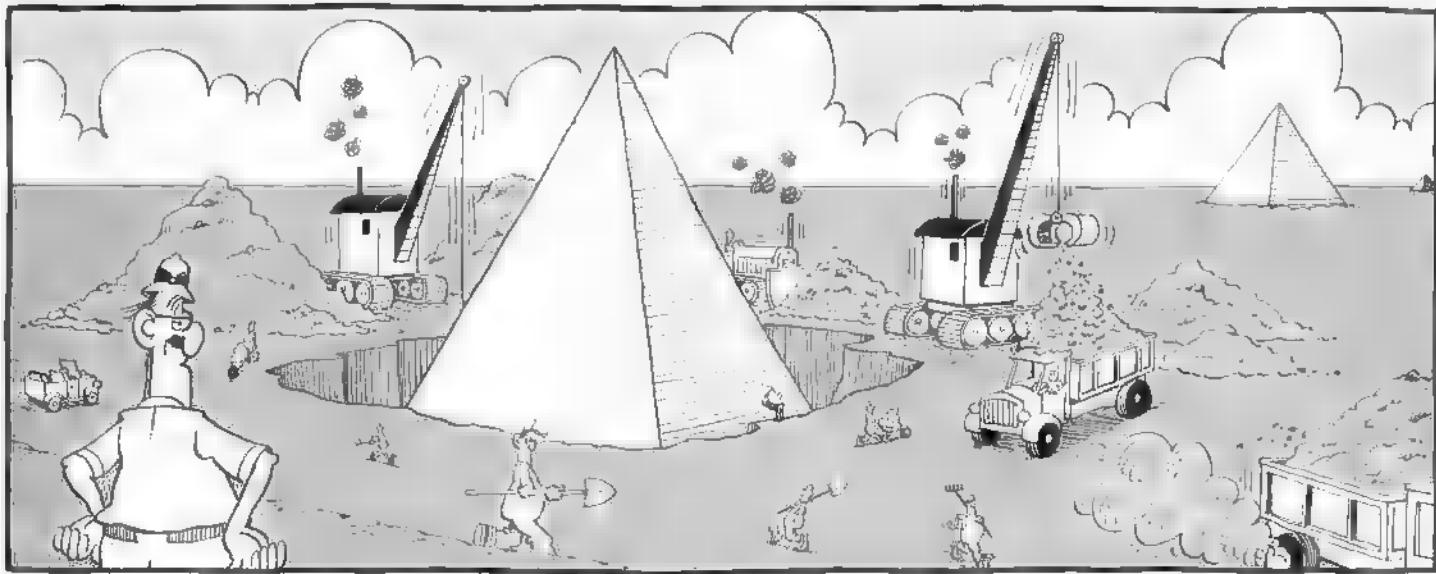

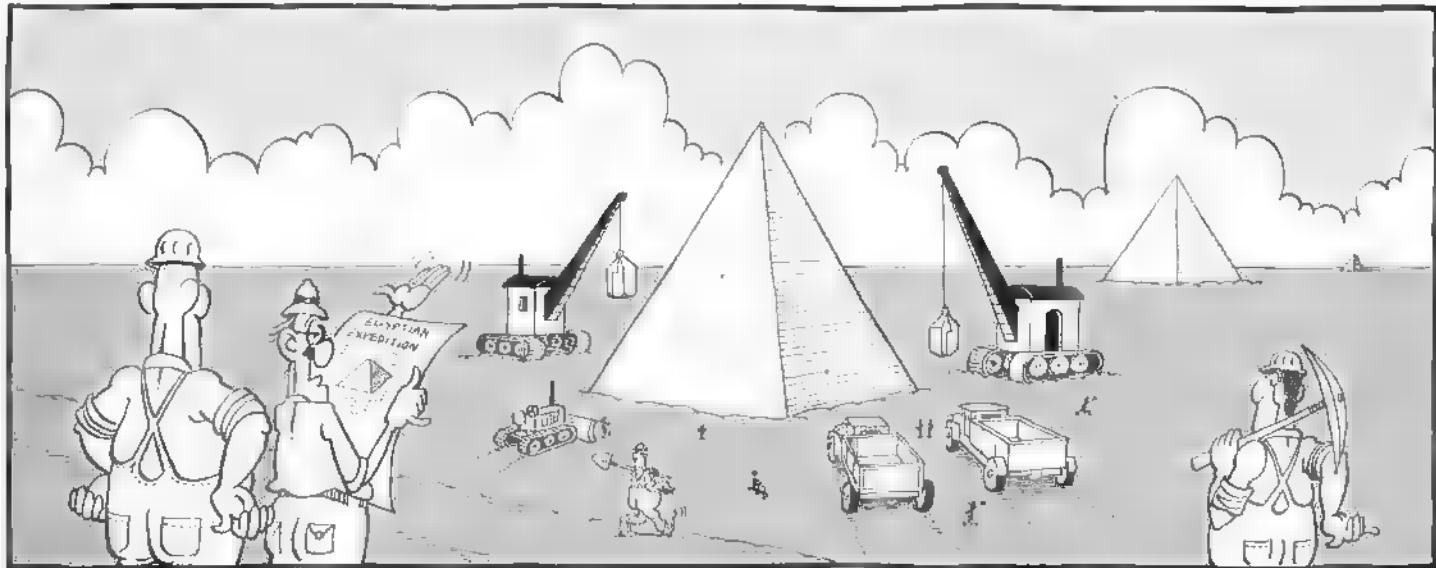

What was that . . . ?

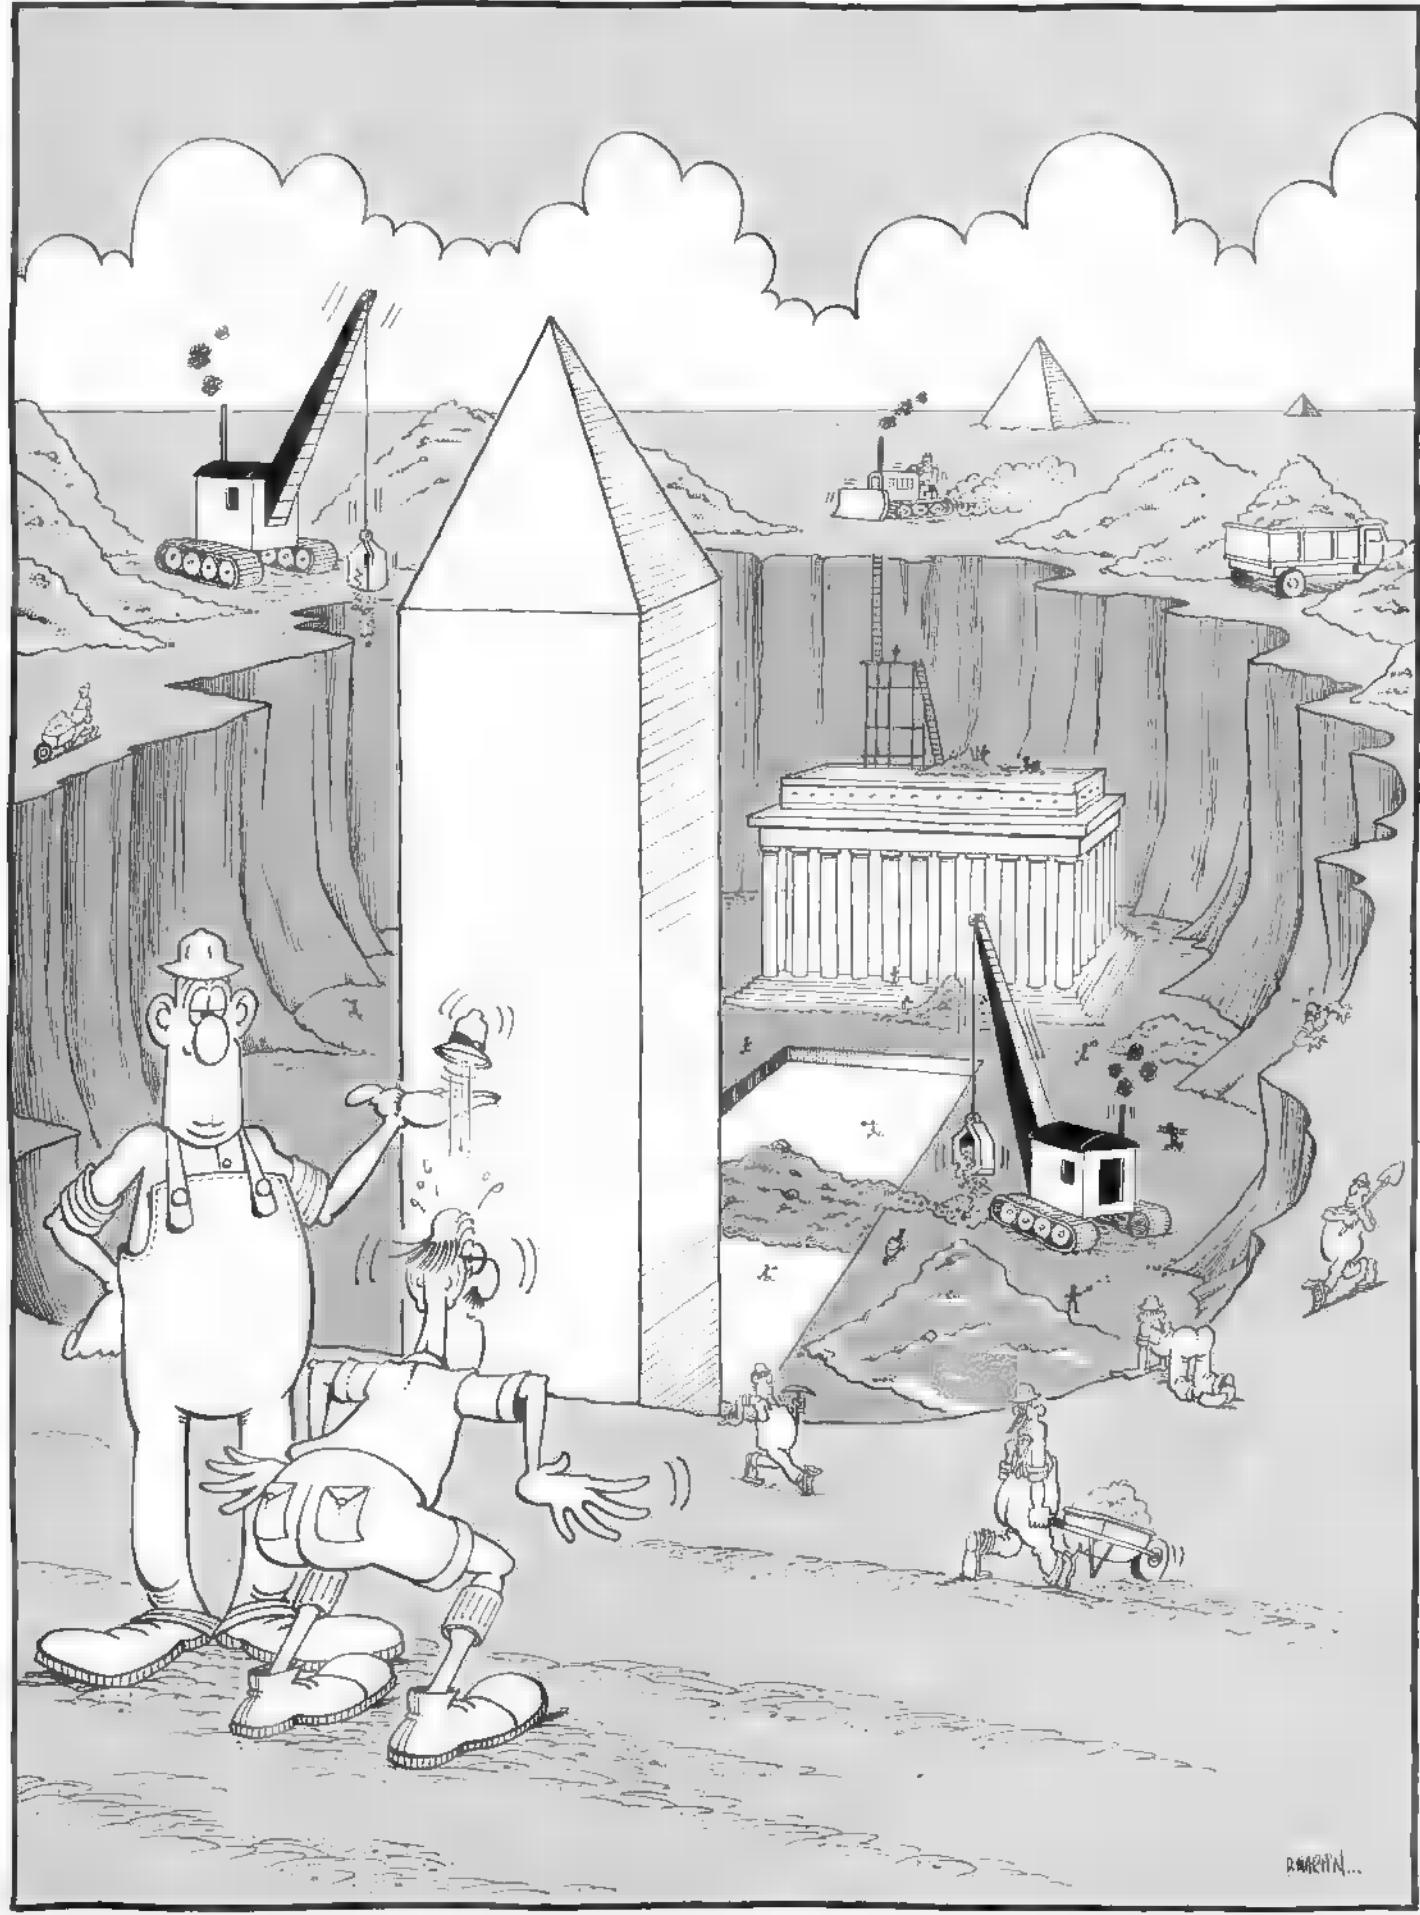

At least you corrected my terrible OVERBITE!

Okay! Okay!
I'll give it a try!

What's it made with?

Oh, my poor darling! There's a draft in this room! I'd better shut the window ...

After all . . . I wouldn't want anything to happen to you! You're so sweet . . . so very dear to me!

Gee, I sure appreciate your concern! You probably saved me from a cold . . . or a bout with the flu! Thank you!

Don't thank me! I was talking to the PLANT!!

Man . . . there's nothing like waking up early and getting a good morning workout!

Twenty-five deep-knee-bends . . . twenty-five push-ups . . .

. . . twenty-five chin-ups . . . and I'm all set . . .

. . . to go back to bed!!

Come with me to the Health Food Store! I need eggs, fruits and vegetables!

The Health Food Store?!? That's way across town! What's wrong with the Supermarket's eggs, fruits and vegetables?!?

The eggs are not fertile, and the fruits and vegetables are not grown organically!

Boy, you really are into this "natural food" stuff!

You bet! Today's foods are processed, and chemically treated with additives, and robbed of their nutrition! Eating natural foods is the only way to STAY HEALTHY!

Yeah! I see . . .

Shhhh! My daughter Nancy is meditating!

What does THAT mean?

Let's tip-toe into the next room, and I'll tell you . . .

Does it work?

For HER! It's turned her into a calm, mellow person!

BUT IT'S MAKING A BLITHERING NERVOUS WRECK OF ME!!

DO NOT DISTURB

Finster Junior High School!!

I'm calling in reference to one of your students, Marcy Kaputnik!

The Doctor has recommended that Marcy be excused from Gym Class because the exertion is bad for her health! And besides, the other kids laugh at her whenever she does anything klutzy!

I see! And may I ask to whom I am speaking . . . ?

This is my Mother!

I cannot believe that you are actually more than ONE HUNDRED YEARS OLD!

I just can't figure it! You break all the rules! You smoke like a chimney! You drink hard liquor! You eat all the wrong foods!

Today, we know that smoking gives you cancer, and that drinking hard liquor gives you cirrhosis of the liver, and that eating junk foods is like eating poison! So—how in heck did you DO it?

Maybe because I was born before they discovered all those things were so bad?!

PADDING THE BILL DEPT.

Whenever you get a bill from the Phone Company or the Electric Company, there's always a little "Newsletter" enclosed. They're usually filled with good news. Good news for them...bad news for you! Like increased rates, reduced services, etc. Those of you who pay your bills are familiar with these Newsletters. But for the majority of MAD Readers who've never seen one because they merely send their bills back unopened and marked "Addressee Deceased," here are a few examples:

Conned Edison

Customer News

"OPERATION NIGHT WATCH" STARTS NEXT MONTH

Because so many of our Customers work, or are out during the day when our Meter Readers come to call, CONNED EDISON is inaugurating a new service starting next month.

Designated as "Operation Night Watch," our Meter Readers will no longer go out during the day, but will come to your home between 3:00 and 6:00 A.M. to read your meter.

Yes, an extensive series of experimental tests proved that 97% of our Customers are home during the hours of 3:00 and 6:00 A.M., making the chance of reading your meter almost a certainty.

Of course, our Meter Readers will be on "triple time" during those hours, and we'll most certainly be passing on the increased costs as soon as we can.

SAVE MONEY

You can conserve energy and save at the same time by following these helpful CONNED EDISON hints:

- If you read in bed, try using a 40 or 60 watt bulb instead of the proper 100 watt bulb. You'll save a few cents, and—who knows?—you may not even ruin your eyes and have to give it all back a hundred-fold to some Eye Doctor.
- If you heat electrically, try lowering your thermostat. This will result in minor saving, as long as you don't mind subjecting yourself and your family to arthritis, bad colds, influenza, pneumonia and other respiratory diseases.
- When you go out, shut off all lights. This can save up to \$3.00 a month, providing you don't mind risking having your house broken into, which can cost you thousands.

WHAT'S ON YOUR MIND?

Customer Questions Answered

QUESTION: Why do you constantly raise your rates?

ANSWER: We do not constantly raise our rates. Many people fail to realize that Electric & Power Companies come under close Government supervision. For example, in 1976, we asked for rate increases 48 times, but we were only allowed to raise our rates 12 times. A mere once a month raise is certainly not "constant"!

QUESTION: How can I tell if my bill is being calculated properly?

ANSWER: You can double-check our figures yourself. Here's the simple formula: Take the pk/dmd/kwhr reading, and divide it into w/a/h periods. Using a base rate of 6.0023 for the first period, and 40% of the base rate for each subsequent period, multiply by the base rates and add in the fu/ad/per of 3.1417 for each kwhr, which most people forget.

QUESTION: How can I tell if the man who comes to read my meter is really from Conned Edison?

ANSWER: Ask him.

QUESTION: Why don't you pay interest on the huge Security Deposits you require from your Customers? You deposit them in Banks where they earn interest for you. Why not pass it on to your Customers?

ANSWER: Security Deposits

BULL TELEPHONE NEWS

SAVING MONEY

Saving money on your phone bill is the name of the game these days, and BULL TELEPHONE has prepared several booklets that will help you do just that. For your copy of "Saving Money On Long Distance Calls," dial 808-555-2300* in Hawaii and ask the operator for booklet R-456. She'll just ask you a dozen or so questions about your Long Distance phone habits and then send you the free booklet.

Did you know that when you use your phone during the 9-to-5 heavy-load business hours, you pay top rates, but you can save money at other times? For a free copy of "Reduced Phone Rates Across The U.S.A.", dial 907-555-5678* in Alaska any day from 9-to-5 and our operators will give you the phone number in your area where you can order your free booklet.

*These calls will be charged at Regular Long Distance rates.

BULL TEL SETS RECORD TIME FOR DIGGING UP AND REPAVING STREET

Because we are well aware that whenever we dig up a street we confuse and slow traffic, we've been trying to speed up operations wherever possible.

Recently, In New York City, we set a new record: Three days to tear up a major thoroughfare and only five days to repave it! Unfortunately, in our zeal to work fast, we forgot to lay the new cable which was our reason for tearing up the street in the first place. So we'll start over again next month, and work at a somewhat slower pace.

Well, these Newsletters that come with the bills from Big Companies got us to thinking: How could we fill up a few pages of MAD with an article about them? And so, we came up with this premise...

WHAT IF A NEWSLETTER CAME WITH EVERY BILL?

TENANT TIP-OFFS

MONTHLY REPORT FROM YOUR LANDLORD

HEADACHES...HEADACHES...HEADACHES...

What causes headaches? There are many many contributing factors. A noted authority (who also happens to be an owner of this building) knows of three:

First, the smell of paint can make many people sick, can cause them to lose their appetites, and can give them terrible headaches. To avoid that kind of suffering among the tenants of our building, we are happy to announce that there will be no painting of hallways, apartments or even the outside of the structure for an indefinite period.

Second, excessive heat can cause violent headaches. A

stuffy room can not only help to inflict unnecessary pain, but it can also make one feel logy, listless and just plain-out-of-sorts. Therefore, as an additional service to our tenants, in order to insure their comfort, we will turn the heat way, way down, especially during those protracted cold spells in January and February.

Third, the smell of toxins, such as those found in various roach and bug sprays, can cause nausea, dizziness and painful headaches. Therefore, to avoid such exposure, we have decided to eliminate the monthly visits of our Exterminator.

MEET THE EMPLOYEES

This Month:

Andy "Lightfingers" Nickerson

You've probably seen Andy outside your window many times. Unfortunately he shouldn't be outside your window, since his job doesn't take him anywhere near them. But Andy does have an interest in Photography, so we can't be too hard on him.

Most of you first heard of Andy after the big flood last month that started on the top floor and ruined your furniture and carpets. Andy was the one who first opened a pipe up there, and then went all the way down to the basement to try and find the shut-off valve.

He was also the one who caused the third and fourth floor walls to be blown out when he looked for a gas leak with his cigarette lighter.

Although we never suggest seeking outside professional help (which you have to pay for yourself) when a problem arises, we do advise you to think twice before admitting "Lightfingers" Nickerson into your apartment.

ELEVATOR SERVICE RESTORED

After being out of service for five short months, we are happy to inform you that we were finally able to locate the replacement part needed—a 15 watt miniature bulb—and our elevator is running again.

However, efficient elevator service being a costly item these days, we have decided that it is only fair to divide these costs among those who use the elevator.

Therefore, we will be adding a \$1.00 per floor surcharge to your next month's rent bill. The higher up you live, the more you will pay—which is, of course, only fair.

If you decide to walk up from now on instead of using the elevator, kindly telephone the Building Manager each time you do, and he will ask you to come down to the basement to pick up a dated credit slip. This system is necessary to prevent cheating.

PIPE DREAMS & SCHEMES

NEWS & VIEWS OF PAUL THE PLUMBER

EMERGENCY ANSWERING SERVICE ENDS JAN. 1

In order to save money and not raise my rates too much, certain cut-backs have to be made. Starting Jan. 1, my 24-hour Emergency Answering Service will be discontinued, and a new "Call Me Yourself" system will be inaugurated. For EMERGENCIES ONLY (There will be a \$10.00 charge for any NON-EMERGENCY USE of these numbers!), please have me paged at the following:

WEEK DAYS: Pine Hollow Golf Course 385-7799

WEEK DAY EVENS: Sammy's Bar & Grill 555-1234

WEEK ENDS: Hudson Harbor Yacht Club 566-9876

15% MISCELLANEOUS "COOK" CHARGE TO BE ADDED TO ALL FUTURE BILLS

You may have noticed that most Plumbing jobs require not only tools that I can use over and over again, but a certain amount of materials which I must replenish—such as Pipe Dope, Joint Sealer, Putty, Gasket Seal, etc.

In order to help cover the cost of these various materials (known in the trade as "Gooey Stuff"), I am forced to add a 15% surcharge to all future bills.

NEW SYSTEM MAKES BILL-PAYING EASIER

There's nothing worse than having to make out a check, or trying to find a misplaced bill, or searching for a stamp, etc. So starting Friday, I am instituting a new "Bill-Paying System" which will eliminate all those inconveniences.

From Friday on, all bills must be paid IN CASH within ten minutes after I present them to you.

This system will also eliminate MY inconvenience of having to pay Income Taxes.

MEDICAL MUSINGS

FROM THE OFFICE OF HY PRYCED, M.D.
500 Wilshire Blvd. Los Angeles, Ca.

WAITING ROOM FOR PATIENTS TO BE DISCONTINUED

Due to ever-increasing costs, it is with much regret that I must announce the elimination of my Office Waiting Room. The present Waiting Room will be sub-let.

This will mean that, as of next month, patients must arrive promptly for their appointments. If you have a 3:00 appointment, you must arrive EXACTLY at 3:00 P.M. If you have a 4:00 o'clock appointment, you must arrive EXACTLY at 4:00 P.M., etc.

In the event I am running late, I will not answer the buzzer, and you will just have to wait in the building lobby until I call down for you on the intercom.

WHERE EACH DOLLAR YOU PAY GOES

Since many business establishments send out a break-down of where their income dollars go, I now offer my patients the following chart:

THE FINSTER FUEL OIL FLASH

HOT NEWS FROM FINSTER, YOUR LOCAL FUEL OIL AND HEATING EQUIPMENT DEALER

"YEAR-ROUND AVERAGE" DELIVERIES TO START NEXT MONTH

Through the years; we have found it almost impossible to determine how much fuel oil our Customers will need in any given month. For example, in cold weather, some of our Customers might order as much as 500 or even 1000 gallons a month. But then, in Summer, they never even give us a call to find out how we are! And this also makes it very difficult to keep our trucks and employees working all-year-round.

So, starting next month, our Customers will be taking deliveries of heating oil on a TWELVE MONTH, YEAR-ROUND CONTRACT basis.

Yes, we have totalled your heating oil purchases for the last 12 months, and we will be delivering 1/12th of that amount every month from now on...both Winter and Summer.

This "Year-Round Average" delivery system will mean that most of you will be getting hundreds of gallons of heating oil during June, July and August, when you don't really need it, and the same amounts during December, January and February, when you'll be needing much, much more. So you'll either have to heat your homes during the Summer to make room for new deliveries, and lower your thermostats during the Winter to stretch your monthly allotment...OR...invest in a larger fuel oil storage tank!

We happen to be running a "Sale" on Large Fuel Oil Storage Tanks this month. Check our low, low prices. (Installation extra.)

THE ENERGY CRISIS

You can imagine how reluctant we are to raise heating oil prices again. After all, even the owners of Finster Fuel Oil and Heating Equipment Co. need to buy home heating oil (although they do use somewhat less than most of their Customers since they all live in the Bahamas). But rest assured that the Oil Industry is doing its very best to find alternate sources of energy.

For example, the Oil Industry has recently undertaken a multi-million dollar Research and Development Program to see if the warm, gentle breezes of some gorgeous South Pacific islands can be harnessed and turned into valuable new sources of energy.

As a matter of fact, the Editor of your monthly Finster Fuel Oil Flash is happy to report that he has been asked to participate in this program, and will be slaving away for the next three weeks in Tahiti, helping to find out what—if any—use can be made of these South Pacific breezes.

However, to cover the cost of this important Research and Development Program, the Oil Industry will raise the price of #2 Home Heating Oil at least 3¢ a gallon next month, which we will reluctantly pass on to you along with our usual mark-up.

GREASE-MONKEY BUSINESS

NEWS AND NOTES FROM THE FOLKS AT "JOE'S GARAGE AND SERVICE STATION"

AMERICA SAVES GASOLINE!

This year, consumption of gasoline is down 5% over last year. Which means that Americans are making a strong and patriotic effort to save gasoline (although the fact that the price of gas is up some 50% over what it was may have played some small part!).

SMALL ECONOMY CARS UNSAFE!

In a recently completed unbiased test run by JOE himself, it was proven beyond a shadow of a doubt that small, cramped, so-called "economy" cars cannot stand up to accidents as well as their "comfortable" big brothers.

In the test, a "Pinto" was almost totally demolished when it was placed in the path of a speeding bus, yet a "Cadillac" sustained almost no damage when placed in the path of a speeding bicycle.

Of course, larger cars use a fraction more fuel than smaller cars (if you consider 80% a fraction!), but isn't saving your life worth it?

LOW VOLUME BUYERS TO BE CUT FROM OUR CREDIT LISTS

In order to continue offering fast, efficient and courteous service to our valuable Credit Card customers, we must "weed out" those Card users who are not buying enough gasoline monthly. At the end of the current billing period, we will audit our books. So if you wish to continue to receive ALL the benefits and convenience of a Credit Account with us (We will no longer repair cars belonging to persons who do not have a "Joe's Garage Credit Card," nor will we lend

out Rest Room keys, or respond to emergency calls or offer towing services, etc.), we suggest that you come in and fill up your tank immediately and continue to do so throughout the coming months. Since we at JOE's are always happy to help our customers, we are offering a free booklet entitled, "Interesting Places To Visit That are More Than 500 Miles From Joe's Garage And Service Station." Why not make a special trip down and get your copy today?

REPAIRED CARS MUST BE PICKED UP PROMPTLY

Effective immediately, any car that is not picked up within 6 hours after being repaired will be charged our daily \$8.00 parking fee.

Space is money in our business, and so we have no alternative but to adopt this policy.

Also, any car left here over 5 days will become our property, and we reserve the right to do anything we want with it.

The owner of a Cadillac left with us for a lube job 6 days ago can pick it up at our Test Site (See preceding article). The owner of a Pinto left with us for repairs 8 days ago can pick it up on 122nd Street and Selma Avenue...and on 129th Street and Bell Avenue...and on 131st Street between Maple and Green Avenues.

A CREDIT TO THEIR RATINGS DEPT.

Here we go with MAD'S version of the weekly TV series about the Black family that's moved on up . . . from the Ghetto Slums . . . to

THE JAZZYSLUMS

Damn! Damn! What in heck is this apartment house coming to?! This morning, another minority group family moved in!

Mr. Jazzyslum, Whites are not a minority group!

On this show they are!!

I really think you make a lovely couple!

Why, that's a surprise! I never thought you felt Gorge and I made a lovely couple!

Oh, I STILL don't! What I meant was: You make a lovely couple ALL BY YOURSELF!!

I rather respect Gorge for his accomplishments!

What accomplishments?

He raised himself out of the ghetto, didn't he??

That loudmouth shrimp didn't RAISE himself out of the ghetto! He was THROWN out! He was giving it a BAD NAME!!

ARTIST: ANGELO TORRES

WRITER: STAN HART

I just had an awful experience in the elevator, Looweez!

This good-looking man was in front of me . . . when suddenly the lights went out! And the next thing I knew, indecent advances were being made!

Who cares??

And then what happened?

The lights came back on . . . and I had to stop making those indecent advances!

Mrs. J., I quit —for the 24th time in the regular season, and the 13th time in re-runs!

What is it this time, Florist?

It's Mr. Jazzyslum! He's got some nerve! In the kitchen just now, he asked me to perform an unnatural act for him!

Good God! What did he ask you to do . . . ?!

Make him breakfast!

Damn, damn, damn!
The Government is
investigating me!
Can you imagine?
They've got the
nerve to say that
I discriminate
against WHITES!

Well, Gorge . . .
you DON'T have
a single white
person working
for you!!

That's just a
coincidence!

Out of nearly five-
hundred employees?!!?

So . . . it's a **LARGE**
coincidence! I don't
discriminate! In fact
. . . some of my best
friends are Whites!

That's
impossible,
Gorge!
You
don't
HAVE
any
friends!

I'm afraid
Gorge is as
big a bigot
as Archie
Bunker!

Oh, I
wouldn't
say
that!

You're right! He's a
BIGGER bigot than
Archie Bunker! There're
more of them to HATE
than there are of us!

Calling
me a
bigot!?!
Can you
imagine
that???

No, I
can't!
That
proves
it!

That proves
NOTHING, Pop!
On this show,
I don't HAVE
an imagination!

But doesn't it strike
you funny that you're
so prejudiced, while
your son and your
wife and your mother
are so liberal???

It must strike
SOMEBODY
funny! We've
been on prime
time for over
three years!

Gorge, why
do you act
so **idiotic**?
After all,
you **ARE**
successful
. . . and we
live well!

Because I'm
SUPPOSED
to act like
a jerk!
I don't
understand
that!

Don't you see? On
TV, a Black man
can either be
smart and live
like a slob—like
Fred Sanford—
or be stupid and
live well—like ME!

Didn't you hear
the doorbell ring?

Yeah . . . but it's
always the same
tune, and it don't
hold my interest!

Florist . . .
I know you're
our **Sleep-In**
Maid, but can
you please do
your sleeping
at **NIGHT**???

Oh, I didn't know Gorge
was home! I thought he'd
be out . . . celebrating!

Celebrating?
What day is
today . . . ?

It's Idi
Amin's
birthday!

You're not
welcome here
in my house!
I don't want
nothing to
do with two
people who
have no right
to be married!

That's so
narrow-
minded of
you! Just
because
I'm White
and Helen
is **BLACK**!

That ain't
it! I mean
because
she's so
bright . . .
and you're
such a
DORK!

Watch
that!
Sorry!
Okay . . .
look at
Betty and
Jerry Ford!!

Don't you think it's time we got to this week's PLOT???

Why bother? I act the same nasty predictable way no matter WHAT it is? The fact is, we could tape ONE SHOW and have re-runs all season, and nobody'd know the difference!

Nevertheless, we have to do SOMETHING so they can put it in a paragraph in "TV Guide"!

Okay, let's get on with it . . .

Gorge, you seem very upset today!

A man from the Internal Revenue is coming to review my tax return!

You think he's going to ask you for money?

Yeah, but I'm gonna tell him I gave at the office!

Well, Gorge, if we need money, I could always go out and get a job!

What?! No wife of mine is gonna work in some dirty, stinking hole—being underpaid by some nasty boss who yells at her all the time!!

You think I'd work under those conditions??!

You would if you worked for me!

But I'd LIKE to work . . . instead of hanging around the house all day long!

You're a very capable person, Mrs. J.! I know that I'D let you work for ME!!

I do that NOW, Florist!!
I want to be doing something DIFFERENT!

No way!! Why do you think I worked hard to build up a business that employs nearly 500 people . . . ?!

So you could FIRE them on Christmas Eve!

True! But it ain't ALL fun!

Looweez, that's the third obscene phone call today! You'd better change your telephone number!

Why? What good would that do?

Then they wouldn't be able to trace the calls when I MAKE them!!

Hi, there! I heard the wonderful news about Looweez wanting to get a job! Top ho, I say . . . !

How'd you find out?

The Witlesses told me!

Raff . . . the Doorman!

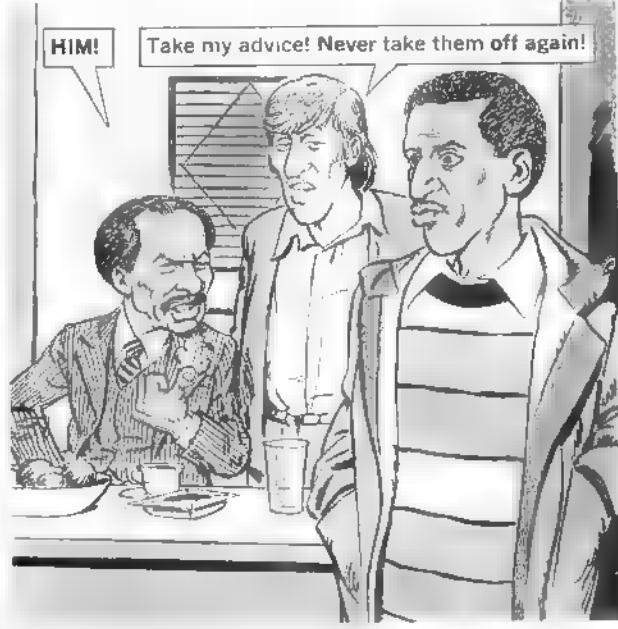

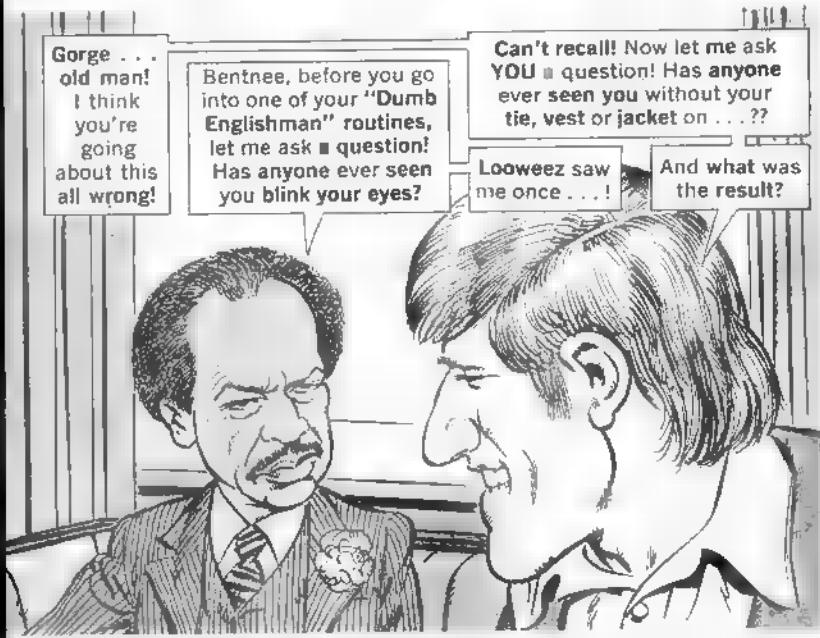

Hey, how come everyone knew about this before I did?

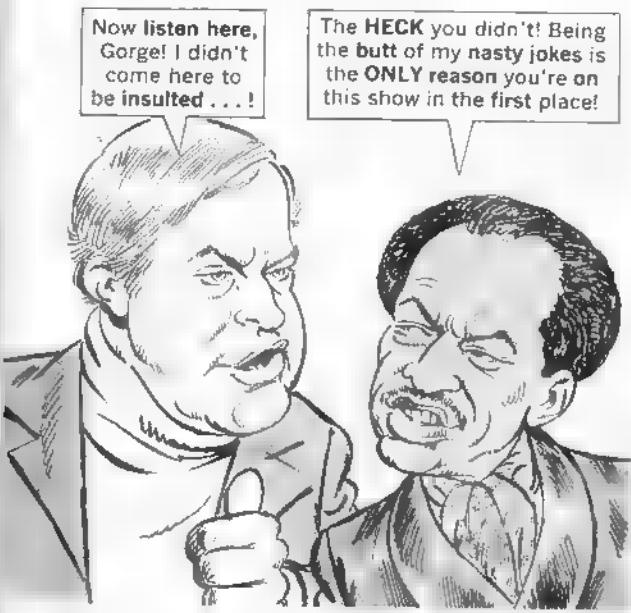

Oh, that's Situation Comedy Rule No. 6! "All neighbors and friends shall know about Wife's plans before Husband finds out!" That rule hasn't been violated ONCE since "Ozzie and Harriet" in 1953!

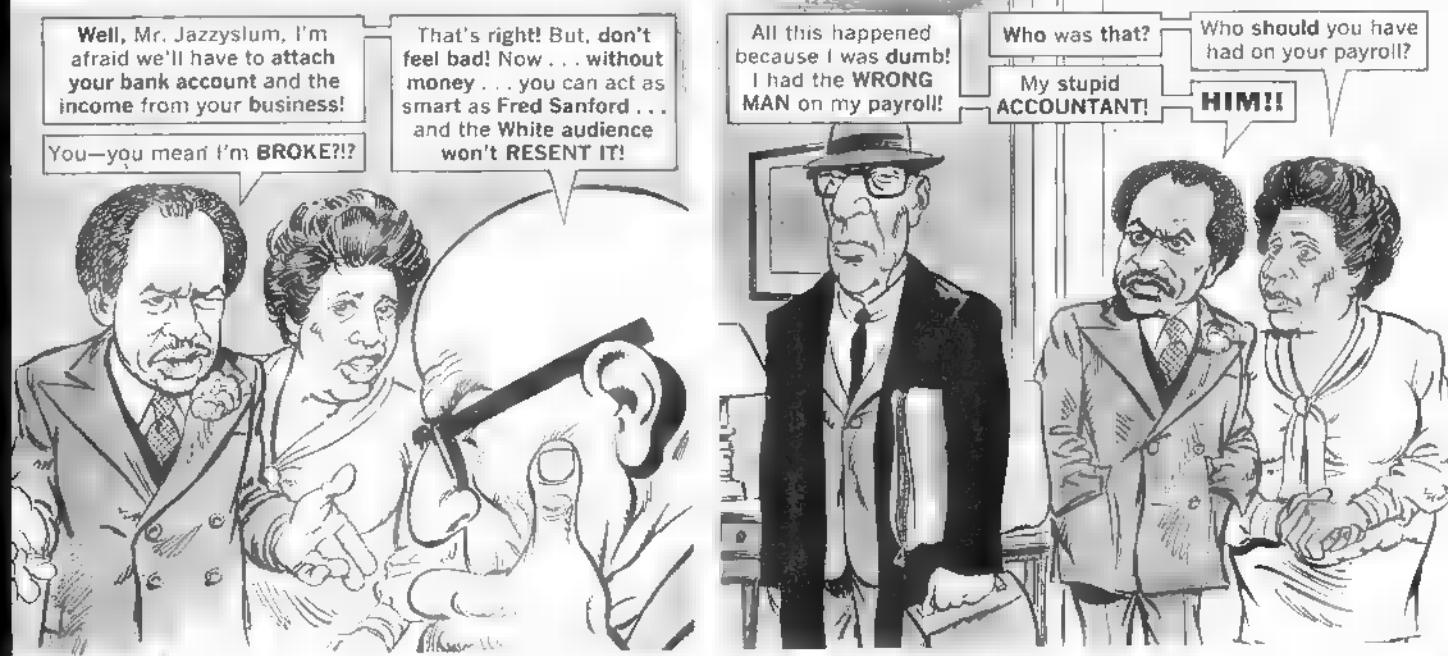

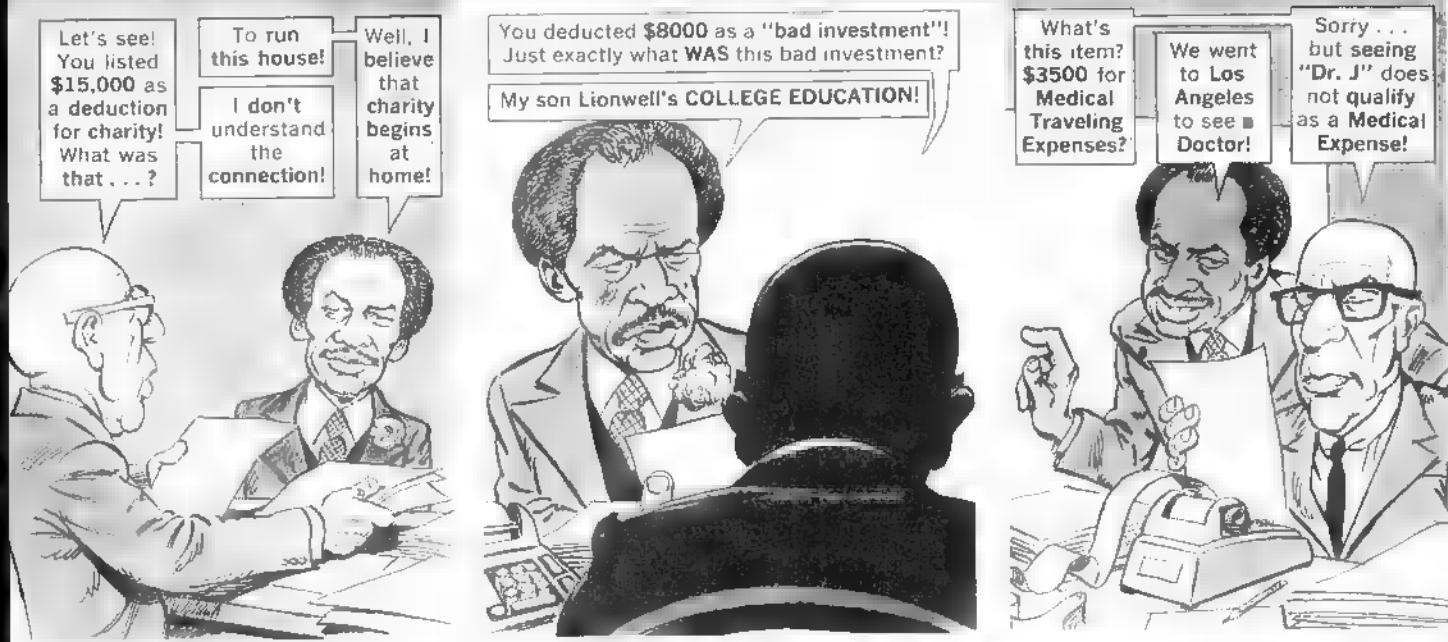

I'm a little bit worried about Gorge's reaction to my plans!

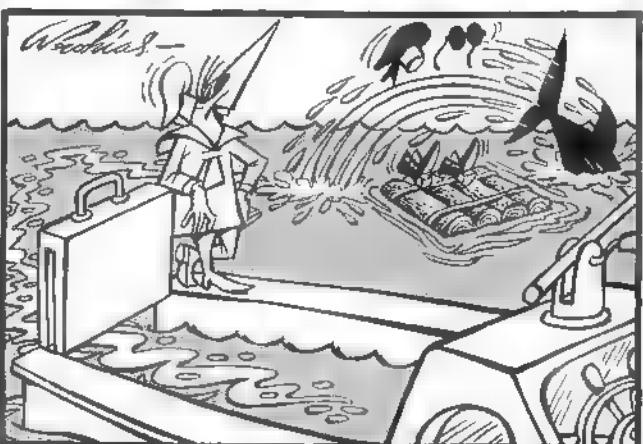

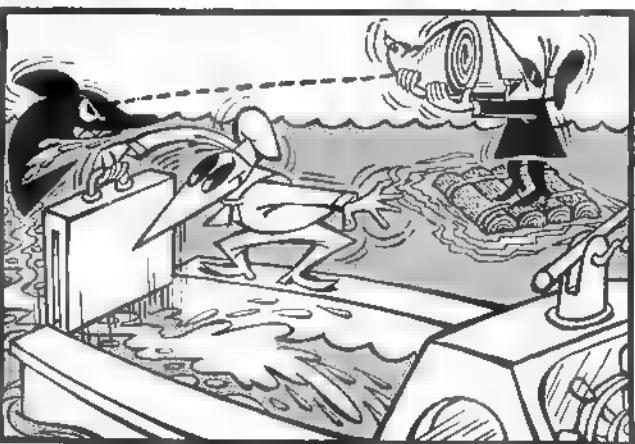

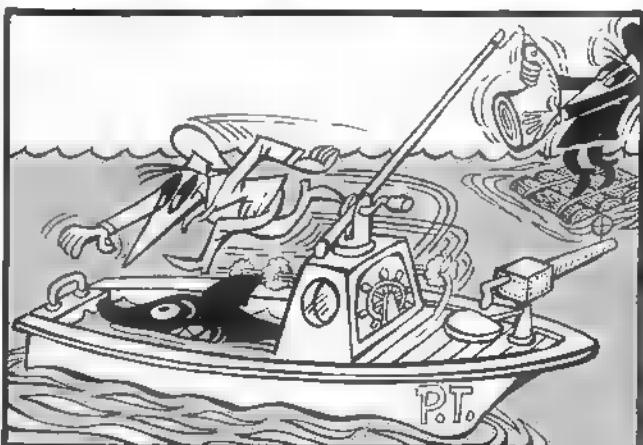

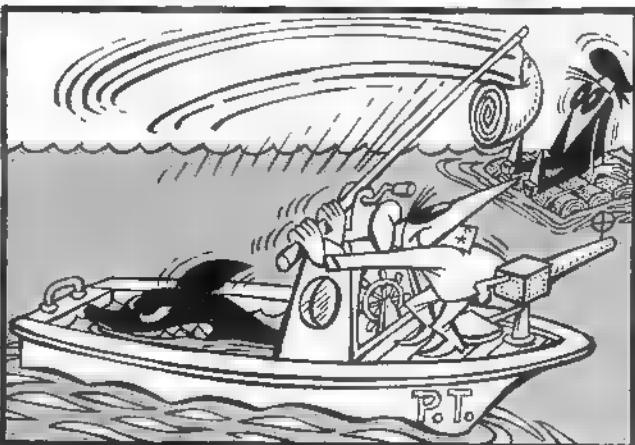

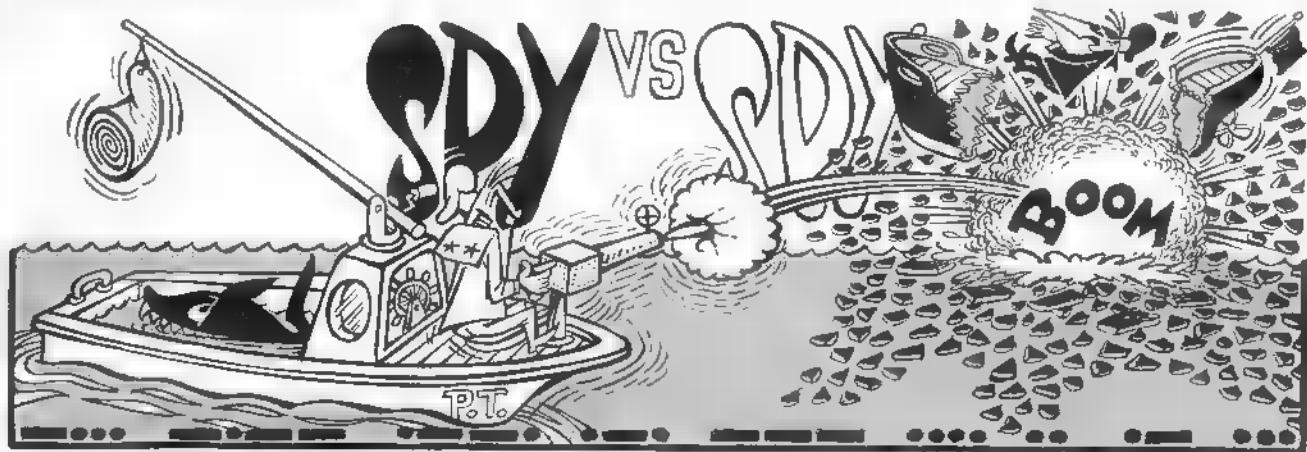

Oh, I wouldn't fret, my dear! Especially since you outweigh him by 50 pounds . . . and your voice is two octaves lower than his!

Er—did you say he's very SUPERSTITIOUS?

Yeah . . . he's afraid that if he ever breaks his eyes, he'll get seven years bad luck!

I'm Mackerel's business partner, Boob LaScamp! We're in REAL ESTATE!

I know! I bought a house from you!
What are YOU in?
A swamp!

Oh, Rizable . . . I love you so much! But what we're doing is weird and sick! Who would believe it nowadays?!!

What? An undressed man and woman making out in a bedroom? What's so weird and sick about that?!!

We're MARRIED!!

Oh, boy! An orgy with bondage devices, and my daughter looking on! Now THAT, they'll believe! Wow, are we gonna have fun . . . !!

Listen, Corpeland, and listen good! You get up half a million bucks, or you'll never see your wife and daughter alive again!

Party-pooper! !

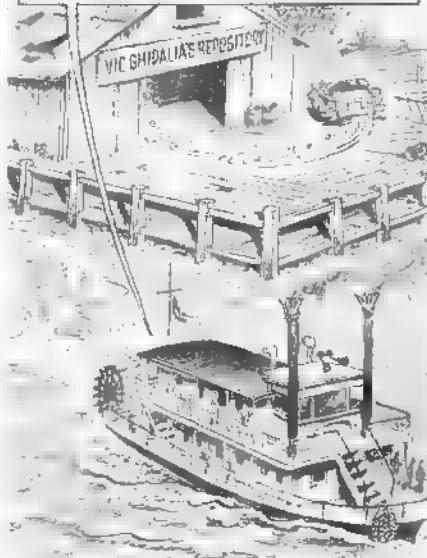

It was a smart move, coming to the Police, Mr. Corpeland! We'll take it from here! Now, here's my plan!

Bzzz! Bzzz! Bzzz! Bzzz!

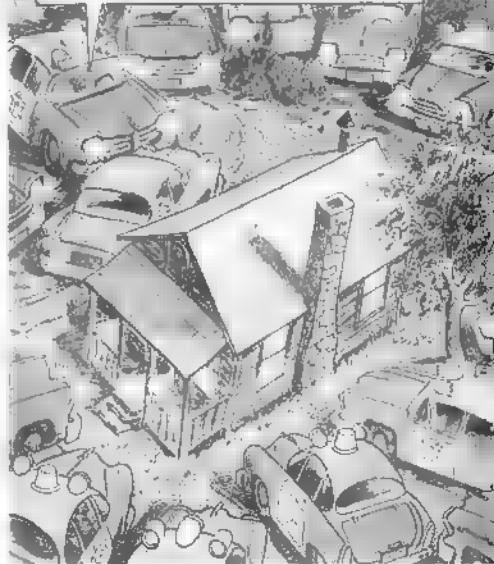

Great! ! We attack them with BEES! !

No . . . you dummy! I'm whispering my plan to you! Just follow my directions!

Step One! The kidnappers pick up the bugged suitcase with the fake ransom money in it! That's part of my plan!

Step Two! The bugging device leads us to their hideout, and we surround it! That's ALSO part of my plan!

Step Three! They leave the cabin with the victims as hostages, and we follow them! My plan exactly!

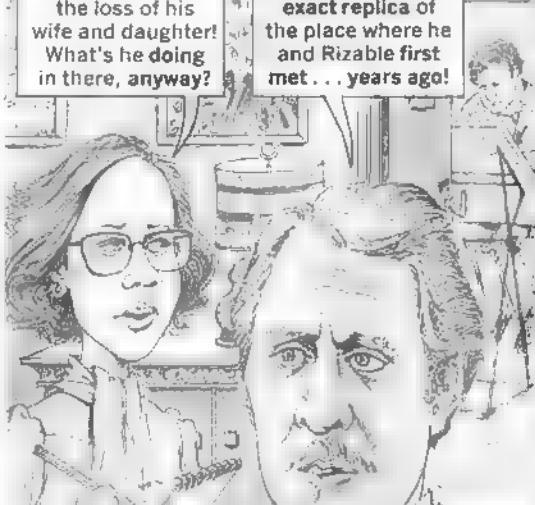

Step Four! Their car blows up and sinks in the lake, and my wife and daughter are killed! You . . . you call that a PLAN? !

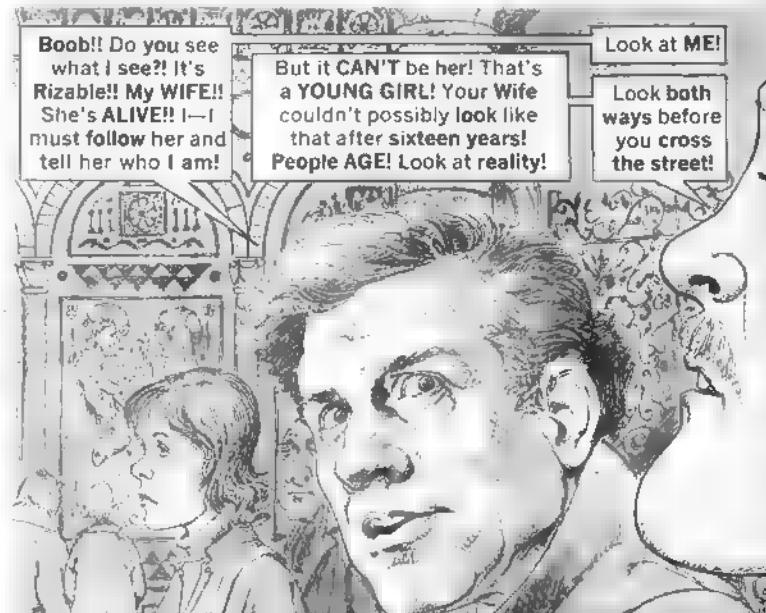

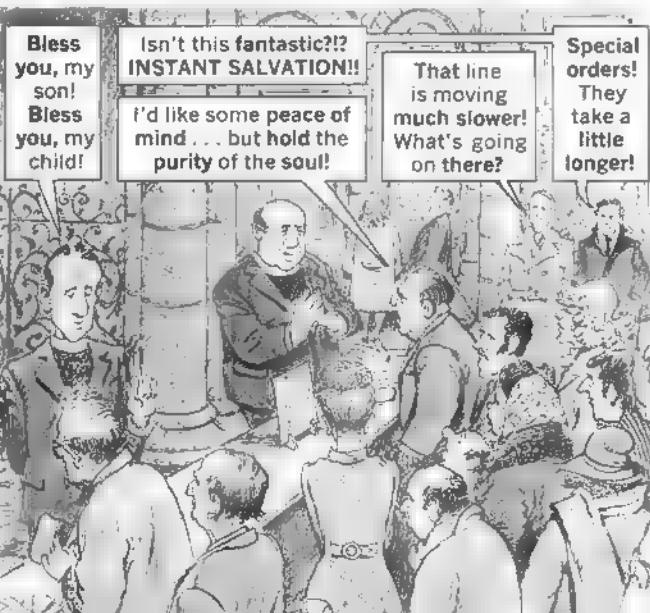

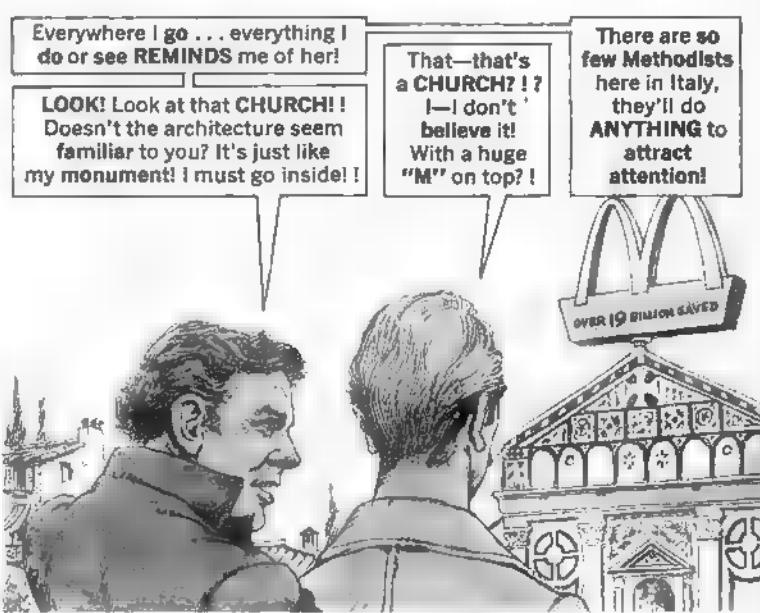

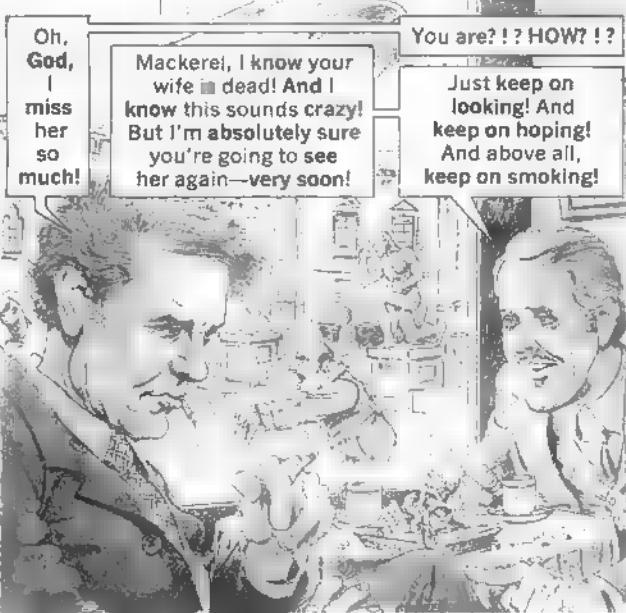

I didn't say it was a good one!

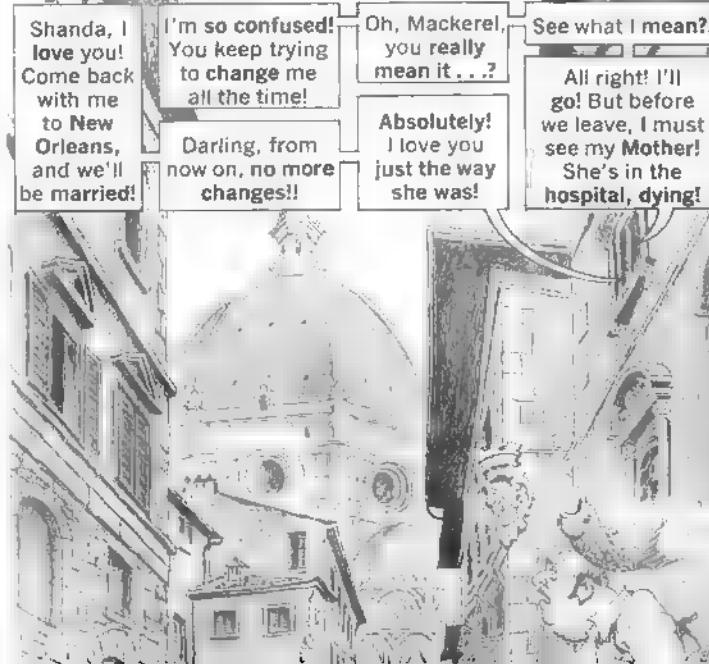

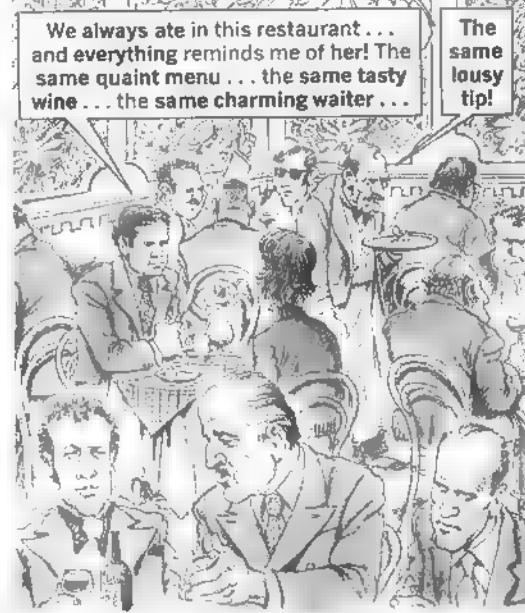

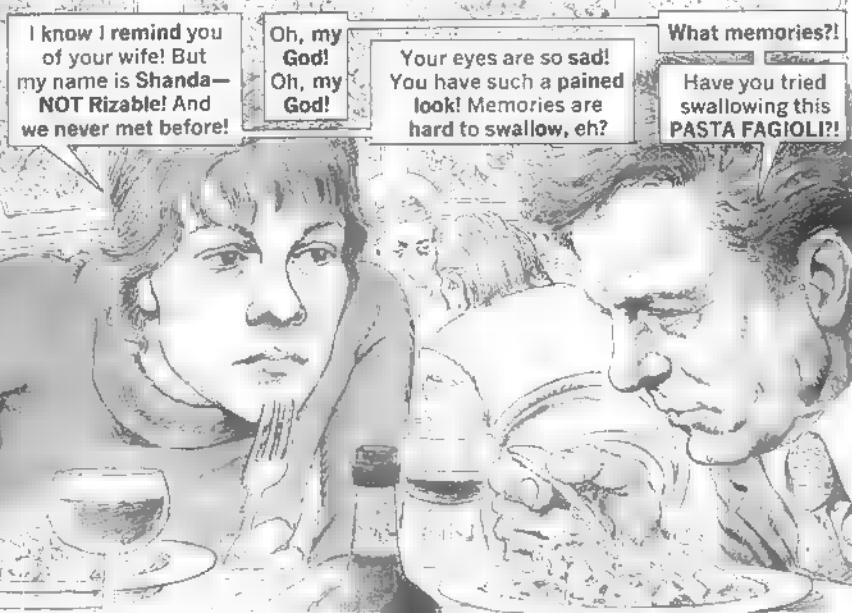

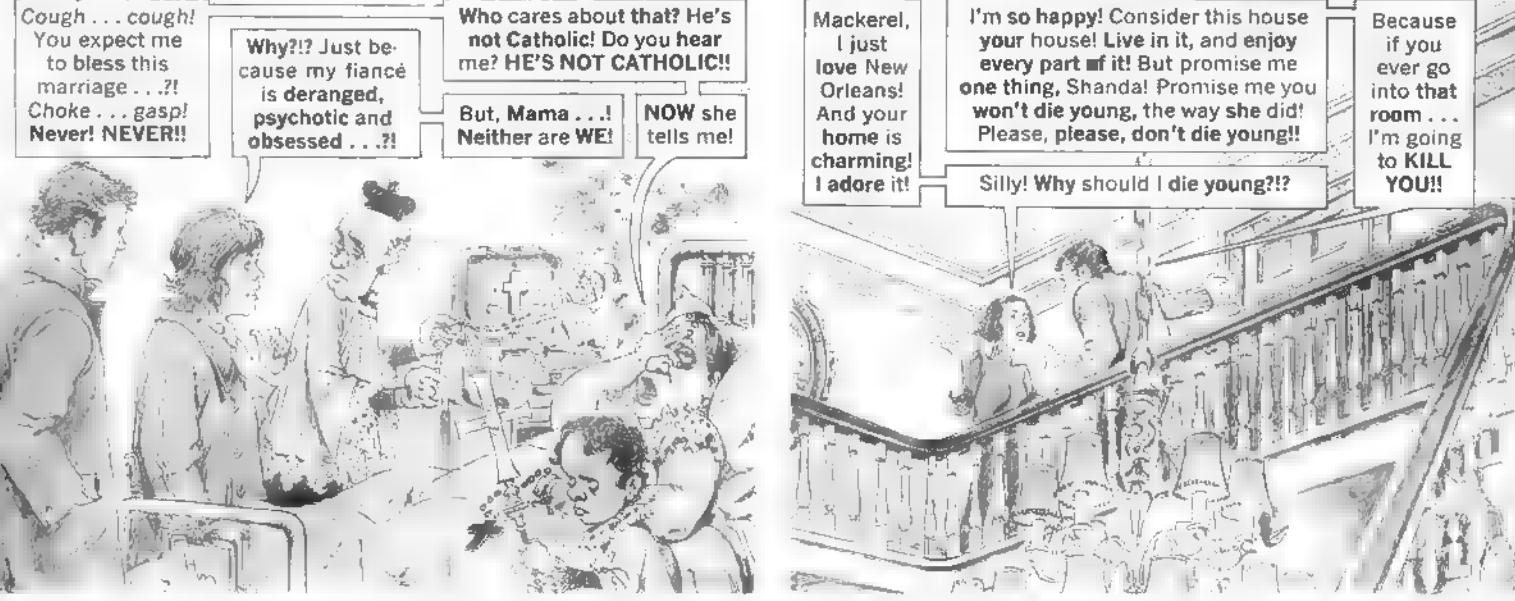

Poor Mackerell! I wonder if he'll ever recover from the loss of his wife and daughter! What's he doing in there, anyway?

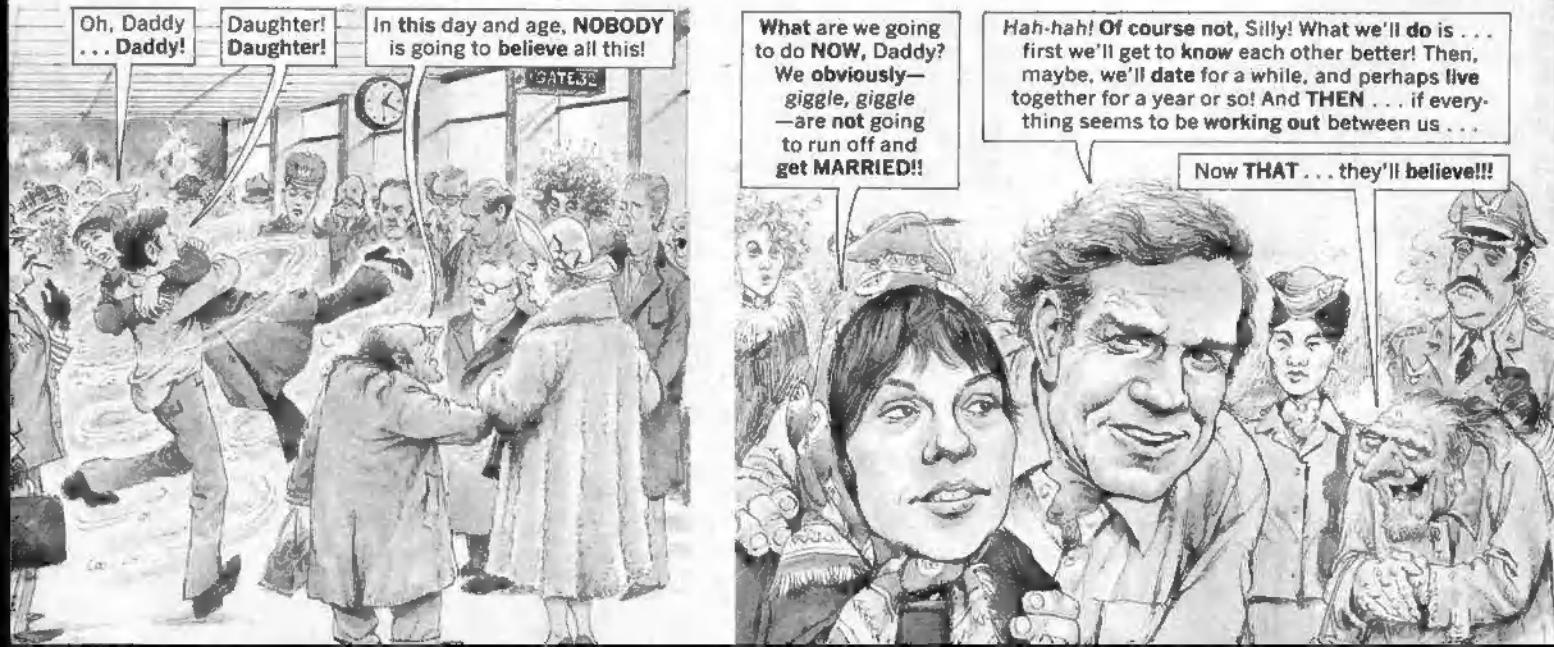

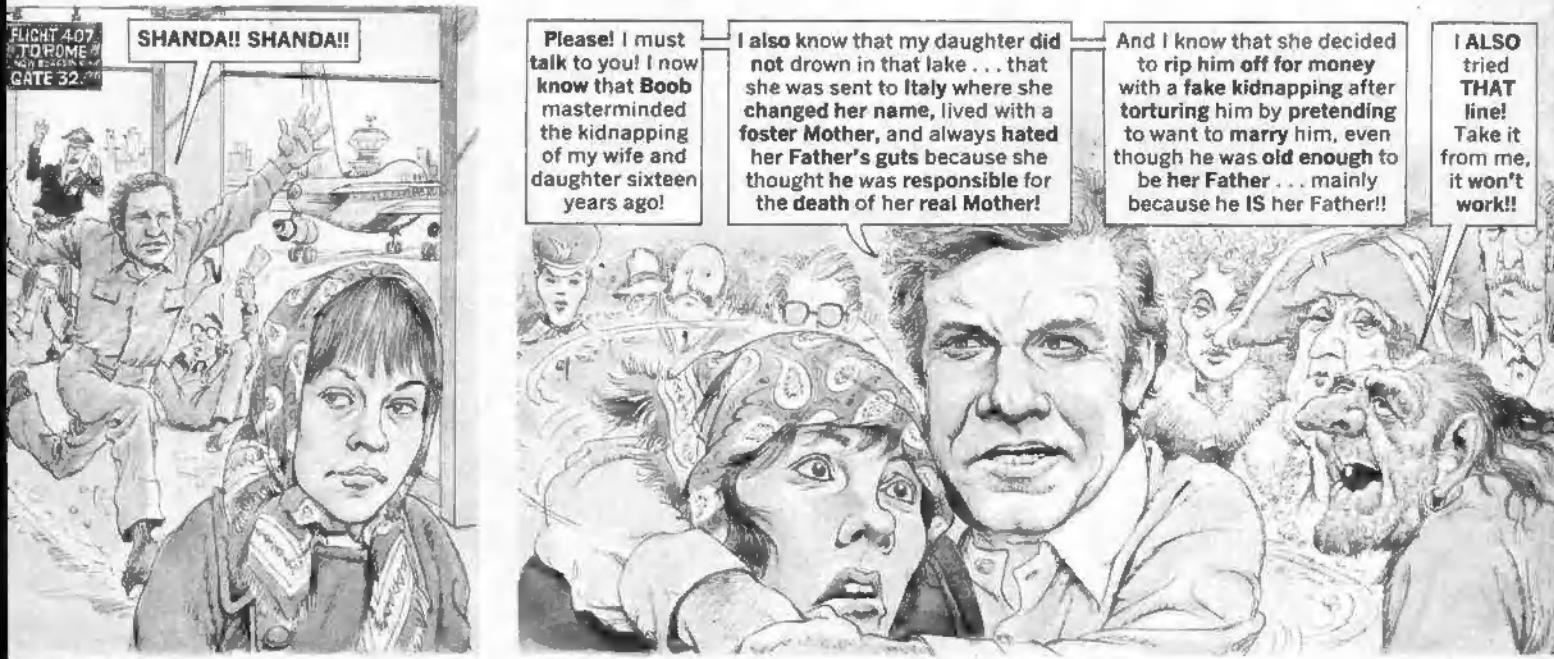

Designing a huge monument in their memory! It'll be an exact replica of the place where he and Rizable first met . . . years ago!
